Sir Dawid Muller

APPOINTMENT AS BLASTER IN TERMS OF SECTION 7(4) AND REGULATION 4.4.1 & 4.4.2 OF THE MINE HEALTH AND SAFETY ACT, 29 OF 1996

In terms of Regulation 4.4.1 & 4.4.2, read with Section 7(4) of the Mine Health and Safety Act, 29 of 1996, and the powers vested in me to appoint persons, you are hereby appointed as the Blaster at **PORTERSHOEK QUARRY MATATIELE** to assist me in the discharge of my duties and functions in terms of the mining legislation and to be responsible for all delegated duties and functions within your area of responsibility.

You are hereby referred to the addendum attached to this appointment insofar as it describes your area of responsibility. You are to ensure that you are familiar with the said area of responsibility, and understand and agree with the boundaries of your area of responsibility.

Your appointment will be with effect from the date of your signed acceptance until this appointment is cancelled or superseded by a new appointment.

Section 7(4) of the Mine Health and Safety Act, 29 of 1996 allows for the manager to assign to you functions and provisions under the Act and Regulations entrusted to the manager. You will be held responsible for compliance therewith in your area of responsibility. You are hereby referred to the addendum attached to this appointment insofar as it describes the functions and provisions assigned to you. Note that the addendum is illustrative, and highlights some areas for attention, but is not exhaustive in terms of your legal responsibilities under the legislation.

You are to report to me without delay any situation in conflict with the Act and with which you cannot properly deal.

In terms of Regulation 4.4.1 & 4.4.2 of the Mine Health and Safety Act, 29 of 1996 you must take all reasonable measures to ensure the Safety and Health of employees and keep proper discipline insofar as primary and secondary blasting is concerned.

Your attention is specifically directed to the Regulations as set out in the addendum attached to this appointment.

	SAFETY HEALTH - MANAGEMENT SYSTEM (Doc No.5.3.3.3)	Effective Date: 15 May 2021 Revision No. ISO 45001 Date Reviewed: - Page: 2 of 2
--	--	---

You must take reasonable measures to ensure that the functions entrusted to you are complied with in accordance with the provisions of the Act, and you are to report to me without delay any situation in conflict with the Act and with which you cannot properly deal.

Instructions and procedures are from time to time issued by the employer and / or the manager and it will be your responsibility to ensure the implementation and adherence to these instructions and procedures within your area of responsibility.

You are hereby authorised and obliged to take all reasonable measures to comply with legislative requirements. It will be your responsibility to report any shortcomings in relation to the implementation of applicable legislation which you are unable to rectify within your area of responsibility, immediately in writing to the appointed manager.

You are to maintain a good working knowledge of the provisions of the mining legislation and all amendments thereto, as well as of other legislation which may impact on the activities at the mine, and your health and safety responsibilities as described above.

Please confirm your acceptance of this appointment and understanding of the duties involved, in writing by signing the acknowledgement below.

Mine Manager Johan Burger

The above appointment and responsibilities are understood and accepted.

I acknowledge and accept the above appointment and declare that I am familiar with the duties, functions and responsibilities imposed on me by legislation and this appointment and undertake to ensure the implementation and adherence to these duties, functions and responsibilities.

- You are to bring to my attention the need for any means needed to ensure compliance with the legal provisions/requirements;
- You are required to bring any queries, difficulties or any issue that cannot be properly resolved by yourself to my attention;

SECTION D: SAFETY, HEALTH, ENVIRONMENTAL AND QUALITY MANAGEMENT SYSTEM ("SHEQ MANAGEMENT SYSTEM") REQUIREMENTS

In addition to your statutory responsibilities, you are required to comply with the SHEQ Management System within your area of responsibility.

You are to make yourself familiar with all mine Standards, Procedures, Codes of Practice, Mandatory Codes of Practice and Policies as they relate to the Safety, Health, Environmental and Quality Management Systems, and ensure compliance, within your scope of authority, therewith.

Should you be unable to comply, you will immediately bring this to my attention.

These responsibilities are consistent with, and supplementary to your legal duties.

GENERAL

Your attention is drawn to the fact that amendments occur from time to time both to the applicable legislation and the Regulations. It is your responsibility to ensure that you are up to date and, where appropriate, advise management on relevant changes to the legislation and Regulations. You should note that your rights and powers are only in respect of the designated working area for which you have been appointed.

By attaching your signature at the bottom of this addendum you confirm that you have read and understand the requirements and accept the responsibilities set out in the contents.
