## Environmental Policy

*As proud as we are at Dorning Crushers (Portershoek Quarry) of our achievements in extracting aggregates, Sand and Industrial Minerals through: Drilling; Blasting; Excavating; Loading; Hauling; Crushing and Screening Operations.*

*We endorse a holistic approach to Environmental Management both within the boundaries of our operations and the integration thereof with surrounding areas, interested and affected parties, users and communities.*

*We believe that Management should lead our Environmental Management effort through their personal commitment and example. We believe that staff should be encouraged and empowered to participate and contribute freely towards our Environmental Management Effort.*

*The Company is committed to protecting the environment of the Earth.*

*To minimize environmental impacts concerning our activities, products and services, we shall:-*

- *Comply with applicable legal requirements and other requirements to which the Company subscribes which relate to its environmental aspects.*
- *Prevent pollution, reduce waste and minimize the consumption of resources.*
- *Educate, train and motivate employees to carry out tasks in an environmentally responsible manner.*
- *Encourage environmental protection among suppliers and subcontractors.*
- *Integrate Environmental Management in our routine management functions and processes*
- *Monitor and report on the Environmental performance of our business*
- *Continuously improve our environmental performance*

*The Company is committed to continual improvement of environmental performance. This Policy will be communicated to all staff, contractors and suppliers, and be available for the public.*

*Policy Review: Due to the ever-changing Environment in which our business functions it may become necessary to revise our Environmental Policy from time to time. As a minimum the policy will be reviewed every two years.*
